# DEAR TROY CHRISTIAN PARTNER,

Troy Christian Schools would like to invite you to partner with us through our **Business Partner's Program**. Your partnership in this program enables Troy Christian Schools (TCS) to provide a superior Christian education for the students throughout the Miami Valley area in developing them to become community leaders of our future.

We want to give your organization an exclusive opportunity to engage with our fans, families and community in various and unique ways by becoming a **Business Partner** or **Community Partner**. To understand more about Troy Christian School and its unique audience and opportunities, we've summarized TCS into the following areas: *Servant Leadership, Academic Excellence and Athletics*. Visit [www.troychristianschools.org/about-tc-home](http://www.troychristianschools.org/about-tc-home) for more detailed and additional school stats.

**We hope that you will strongly consider becoming a partner with Troy Christian Schools.** If you have any questions or would like to **customize** a Partnership Package, please don't hesitate to call the Athletic Office at 937-339-5692 or Nicole Ernst at 937-251-6072.

Thank you for your consideration!
